

# The DJ Guy Questionnaire

Thank you for choosing The DJ Guy for your entertainment needs. I hope that I have fulfilled and/or exceeded your expectations. Many times, I don't hear from my clients again (since most of my events are weddings). I would like to know what your feelings are on the job that I did. This questionnaire will help me improve the way I handle future events and serve as a reference for future clients. I would appreciate it if you could take a few minutes to answer the questions below. I have included a self addressed envelope, but feel free to fax or scan and email it back to me.

Thank you for your time, I appreciate your business!

Comments:

Our average is two slow songs per hour. The national average is less. At any point in time, this could have been addressed with a simple request, "can you play more slow songs?"  
After checking the playlist history in my laptop, I actually played 7 slow songs in 3 hours.

Would have liked to hear more slow songs. The photo booth was a big hit.
