Thank You

Dear Ed,
Thanks for being such a great DJ for
us at our wedding reception!
Everyone had a great time and we
enjoyed the music selection. We are
also very appreciative of the fact that
you worked at our reception the day
after your father's hospitalization. We
would have understood if you couldn't
have made it, but really appreciate

your effort. We hope your dad
is feeling much better!

Best wishes,
Kristina and Todd
