

# The DJ Guy Questionnaire

Thank you for choosing The DJ Guy for your entertainment needs. I hope that I have fulfilled and/or exceeded your expectations. Many times, I don't hear from my clients again (since most of my events are weddings). I would like to know what your feelings are on the job that I did. This questionnaire will help me improve the way I handle future events and serve as a reference for future clients. I would appreciate it if you could take a few minutes to answer the questions below. I have included a self addressed envelope, but feel free to fax or scan and email it back to me.

Thank you for your time, I appreciate your business!

Comments:

Planning was simple and straightforward. The planning sheet and suggestions were very helpful and made the process easy. When we had questions, Ed was easy to reach and provided thorough answers. On the day of our event, Travis was awesome! He was flexible, courteous, and accomodating making sure everything went smoothly. Travis did a good job reading the crowd and playing music that ensured everyone had a great time.

May we use your feedback on our website?    Yes    No
