

The DJ Guy Questionnaire

Thank you for choosing The DJ Guy for your entertainment needs. I hope that I have fulfilled and/or exceeded your expectations. Most of the time, I don't hear from my clients again (since most of my jobs are weddings and considered a one time thing). I would like to know what your feelings are on the job that I did. This questionnaire will help me improve the way I handle future events. I would appreciate it if you could take a few minutes to answer the questions below. I have included a self addressed, stamped envelope for your convenience.

Thank you for your time, I appreciate your business!

Comments:

We (and everybody else at the wedding) thought you did a fantastic job at our wedding! You were very professional, played the type of music we enjoyed, and didn't try to steal the show like some DJs. We also appreciated how you incorporated requests and were willing to stay for extra time (even though the hall wouldn't let us) for a very affordable price. Thanks for helping to make our wedding a success!
