

The DJ Guy Questionnaire

Thank you for choosing The DJ Guy for your entertainment needs. I hope that I have fulfilled and/or exceeded your expectations. Many times, I don't hear from my clients again (since most of my events are weddings). I would like to know what your feelings are on the job that I did. This questionnaire will help me improve the way I handle future events and serve as a reference for future clients. I would appreciate it if you could take a few minutes to answer the questions below. I have included a self addressed envelope, but feel free to fax or scan and email it back to me.

Thank you for your time, I appreciate your business!

Comments:

Travis did a wonderful job at our wedding. He was polite and professional, and checked with us before he did anything. He had a great sense of how to read the crowd. How to keep people dancing, + when to slow things down. We're very pleased.

May we use your feedback on our website? **Yes** No
