

The DJ Guy Questionnaire

Thank you for choosing The DJ Guy for your entertainment needs. I hope that I have fulfilled and/or exceeded your expectations. Most of the time, I don't hear from my clients again (since most of my jobs are weddings and considered a one time thing). I would like to know what your feelings are on the job that I did. This questionnaire will help me improve the way I handle future events. I would appreciate it if you could take a few minutes to answer the questions below. I have included a self addressed, stamped envelope for your convenience.

Thank you for your time, I appreciate your business!

Comments:

We are extremely pleased with your positive attitude when we contacted you about 2 weeks before our party! We also felt your price was very reasonable. When Travis came to DJ the day of the event, he was friendly & personable. He played all songs from our playlist, quickly played guest requests & was patient when he had to explain when he didn't have a certain song. Since a lot of guests were hanging outside the barn to smoke, he offered to move ones speaker outside & everyone was very happy with that. Travis even agreed to play 3 extra hours after we paid him for it. It was late & he could've refused, but he had a great attitude & seemed happy to be there. He is a great employee!
