

The DJ Guy Questionnaire

Thank you for choosing The DJ Guy for your entertainment needs. I hope that I have fulfilled and/or exceeded your expectations. Many times, I don't hear from my clients again (since most of my events are weddings). I would like to know what your feelings are on the job that I did. This questionnaire will help me improve the way I handle future events and serve as a reference for future clients. I would appreciate it if you could take a few minutes to answer the questions below. I have included a self-addressed envelope, but feel free to fax or scan and email it back to me.

Thank you for your time, I appreciate your business!

Comments:

Night went great! Music selection kept guests on the dance floor which we appreciated. We also appreciated how well Travis coordinated with our Photography and reception venue staff on timing of activities during reception. Things went very smoothly and we were able to relax and enjoy our reception.

May we use your feedback on our website? **Yes No**
