Ed Altm...

requests! Everyone had such a great time!
We can't thank you enough!! All of my dad's
family is from Howell/Brighton area so we let
them all know that's where you're from! We also
have weddings that will be happening in the next 2
years & we will ~~highly~~ recommend you!!

Ed,

Thank you! Emily & Jon Cobean

Where do I even begin to thank you!?
Thank you so much for everything! You
kept everyone on the dance floor all night
long! You kept the reception running so
smoothly. It was perfect! Just perfect!
I had no idea my relatives loved to dance
sooo much (& we were all just @ a wedding together,
& none of them danced!) We received multiple compliments
on the music & on how quickly you played ↗
